Food is a vehicle for transformation

What we put into our bodies has a direct impact on the quality and longevity of our lives. When we change our diet, we change everything. In the Academy of Healing Nutrition program you will learn about the powerful Longevity Diet.

Food affects our ability to achieve a healthy weight, regulate our moods, prevent disease and recover from illness. A balanced diet promotes harmony in all aspects of our lives.

The Academy of Healing Nutrition teaches you about The Longevity Diet; a diet that is healing, rejuvenating, grounded in simple, whole, nutrient-rich foods. It is a deeply nourishing diet, combining time-honoured culinary traditions along with Eastern and Western healing methods. Rooted in ancient wisdom, The Longevity Diet is supported by modern scientific research.

The essentials of The Longevity Diet are simple, delicious and powerfully effective.

The Longevity Diet ingredients include:

- Nutrient dense wholefoods
- Cleansing vegetables from land and sea
- Healing herbs
- Tonic herbal medicine
- Immune enhancing probiotic foods
- Superfood Nutrition
- Wild, organic animal foods
- Effective home remedies
- Wellness techniques for body, mind and spirit
- No-dogma nutrition

By embracing the profound wisdom of Food Energetics, The Longevity Diet will empower you to harness food's natural energy in order to nourish, heal and rejuvenate yourself.

The Longevity Diet is a crucial part of any healing program. Not a fad or an alternative – it is the diet that contains everything you need to create long-lasting health and vitality.

Your body knows how to heal. Your job is to provide it with the nourishment it needs to do its magic.

Transform yourself
into the healthiest
person you can be.

The Longevity Diet is perfect for you if you experience any of the following:

- Fatigue
- Low immunity and frequent illnesses
- Trouble losing weight and keeping it off
- Uncontrolled cravings for carbohydrates and sugar
- Diabetes
- Foggy thinking
- Anxiety
- Digestive distress
- Heart burn and acid reflux
- Gas and bloating
- Candida
- ADHD
- Depression
- Memory and learning challenges
- Heart and cancer diseases
- Delayed recovery from illness
- Joint pain
- PMS

In modern life:
1 in 3 get cancer,
1 in 4 have heart disease,
1 in 6 have diabetes,
1 in 7 have respiratory diseases.

Considering a career in Health Coaching?

For over 35 years, we've been integrating Eastern and Western philosophies into a food-as-medicine curriculum.

When you change a habit, you change a life. As a graduate of the Academy Healing Nutrition, not only will you have the power to heal yourself — you'll have the tools to coach others through their step-by-step transition to a longer, healthier life.

It is easy to improve your health if you know how.

A health coach is a master of communicating how to achieve habit change.

When clients are ready to make a shift you can guide and keep them motivated for a lasting result. Our main approach is to teach how things work and relate, so you don't have to focus on constantly trying to fix things. Health coaching is one of the most exciting industries to be in, and it is emotionally, spiritually and financially

rewarding.

Faculty have an average of 40+ years of experience in health education and counselling. We coined the following terms:

- Health Coach
- Holistic Health Practitioner
- Nutrition Coach
- Longevity Diet Specialist
